S I R,

I am desired to submit to the kind notice of the Government the following.

The Society for the Promotion of Kindness to Animals, Bangalore City was started in September 1936. Since then it has been doing much useful work in the Bangalore City, not only in detecting cases of Cruelty to animals particularly to animals employed for draught purposes, but also by propaganda. The aim of the Society has been to inculcate ideas of kindness to animals more by propaganda than by bringing offenders before the courts and to get them punished, as cases of cruelty are very often due more to ignorence than to wantonness. A copy of the Annual Report is submitted herewith for perusal and it will show the work that the Society has been doing.

At present owing to lack of funds the Society employs only two inspectors. For a big growing City like Bangalore with a wide area the present staff is utterly inadequate to cope with the work. The Society has hitherto been depending entirely on voluntary subscriptions and donations which include among others a sum of Rs. 200/- graciously given by His Highness the Maharaja of Mysore. It has been found that the income of the Society is not sufficient for carrying on its work and enlarging its scope of activities.

The Society begs to approach the Government for an annual

grant in order that the work may be carried on in a manner worthy of the model State of Mysore and to request that the Government may be graciously pleased to sanction an annual grant of Rs. 2,000/- to the Society. This grant will enable us to employ a few more inspectors both for propaganda and for detection of offences. The Society is grateful to the Government for having sanctioned for payment to the Society of a moiety of the fines recovered; but the sum so realised is not very large.

In this connection I beg to bring to the kind notice of the Government that the Society for the Prevention of Cruelty to Animals in H. E. H. Nizam's dominions gets an annual grant of Rs. 3,600/- (H. S.) the S. P. C. A. Madras gets a grant of Rs. 8,000/- per year. I request that favourable and early orders may be passed on our application.

****************

With reference to your letter No.P.5311/Cts 64-40-8 dated the 22nd April 1941 on the above subject, I have the honour to state that according to Government Order No.P.15-16/Cts 12-40-6 dated 11-6-1941 the lumpsum grant of Rs.1000/- per annum is payable to the Society at Mysore for a period of 3 years from 1-10-1940 at the rate of Rs.250/- a quarter, the expenditure on this account being met from the head "17 Miscellaneous." This amount may be drawn by the Chairman of the Managing Committee, Mysore Society, at the end of each quarter from the Mysore District Treasury on a bill duly countersigned by the District Magistrate, Mysore.

In the Bangalore City the entire fines collected in the cases referred to in the Government Order of 6-1-1937 may be required to be credited in the first instance to the Head XIV Courts of Law 3 fees, fines and forfeitures in the treasury accounts by the II city Magistrate, Bangalore, who disposes of all such cases. The amount due to the Secretary, S.P.K.A. Bangalore, may be paid by the Magistrate once a month on cheques drawn by him as in the case of refund of fines and compensation in Criminal cases when they are reduced on appeal.

The above proposals are in accordance with the opinion of the High Court of Mysore which was also consulted in the matter. A copy

of letter No.D2.Dis.No.36/41-42 dated 9-7-41 received from the Registrar of the High Court in this connection is enclosed herewith, for information.
